Dear Cris,

Typhoon Sendong was the first storm that brought tremendous damage to Cagayan de Oro. Raging floodwaters swept into the households of sleeping residents destroying and submerging houses, cars and personal belongings, leaving behind thick mud everywhere. Lives were lost. Most of the victims that survived the ordeal were not able to save any of their belongings except for the clothes they are wearing.

In the light of this, we authorized UCPB to channel remittances from benefactors/donors, for the typhoon Sendong victims, into our account maintained at your **Cogon Market Branch #104120000314** in the name of **St. Francis Xavier Chaplaincy (SFXC)**.

Thank you very much!
