# **ATM Safety Tips**

Some tips for secure ATM Transactions:

- Never share your ATM PIN.
- Commit your PIN to memory.
- Wait until previous customers have finished their transactions before approaching the ATM.
- Allow an adequate amount of distance between you and others using the ATM.
- As you approach an ATM, be aware of your surroundings.
- Have your card ready when you approach the ATM.
- Stand close to the ATM when entering your PIN.
- Wait until you leave the vicinity of the ATM to count your money.
- Report any unusual occurrences or discrepancies as soon as possible.
- If using an ATM at night, always select well-lit ATMs and use an ATM where the activity is recorded by a surveillance camera.
- Immediately report a lost ATM card to our UCPB ATM Center at (02) 811-9292.

Should you need more information, please call your nearest UCPB branch or the UCPB Customer Relations Center at 811-9111.
